

SETON

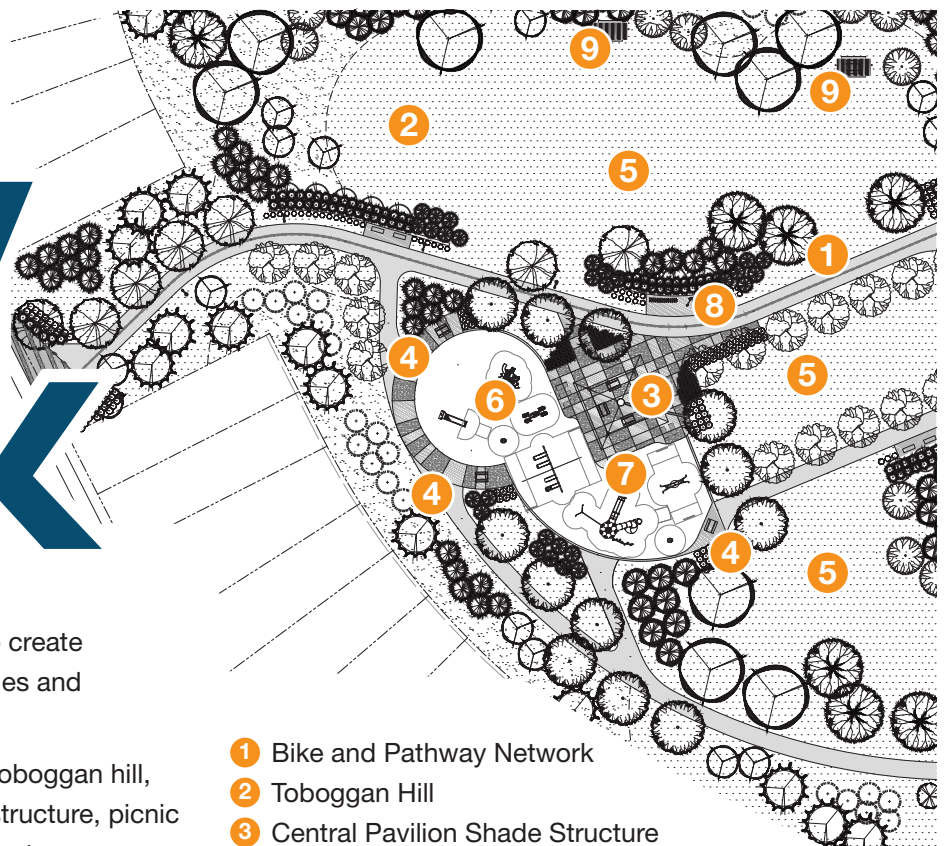

NEW PARK

This 3 acre park is part of Seton's vision to create a healthy community with spaces for families and people to gather and connect.

- Includes play structures for all ages, a toboggan hill, a central pavilion and sheltered picnic structure, picnic tables/lounge seating, a regional path system, open spaces for programming and active open play areas.
- It will provide space for families to gather and connect.
- Accessible bike and pathway networks connecting the community.
