

Seton Playground Photoshoot

Dear Parents,

Habitat Systems (habitat-systems.com), supplier of the playground equipment at Seton Playground in Calgary, has an exciting opportunity for families.

We have a professional photographer who is booked on the morning of **Wednesday, July 21st at 10:00 a.m.** to take photos of the new playground. Some of you may have seen this park in the local media, or hopefully you have already visited to play.

The photographer is looking for a group of 20-30 children aged 5 to 12 and 8-10 children aged 2 to 5 to participate in the photoshoot. There is a **one hour time commitment** to participate and children are asked to wear solid coloured clothing free from logos and no hats, bike helmets or skirts. Each child who participates will receive a thank you gift along with emailed copies of the professional photos taken. If this project is selected for next year's playground catalogue, (which is styled as a coffee-table type book), copies will also be sent home so that each child can show their family and friends.

Once you have RSVP'd, you will be emailed a link to a model release form which gives us permission to share the photos. Parents are asked to stay for the full duration of the photoshoot (1 hour). This is a wonderful opportunity for you to gain professional photos of your child/children (without cost) all while they get to play! If you have any questions or concerns, please don't hesitate to contact Habitat Systems at toll free 1.866.422.4828 or by email at info@habitat-systems.com.

Hope to see you at the park!
